

## Nissan Forklift

Nissan Forklift Training Oshawa - Nissan prides itself on achieving complete customer satisfaction when their buyer is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and meticulous quality standards to their clients. Incorporating a prosperous heritage combined with strong manufacturing principals, Nissan Forklifts offer a few of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide desires of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing customer support, the business has four distinct production facilities that permit them to persistently adapt to their consumers continually evolving requirements by providing an assortment of innovative ideas and designs.

The Nissan Lift truck North and South American center is stationed in Marengo, Illinois. A devoted team of 350 personnel is committed to the cooperation, design and fabrication of their goods. Operating under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to maintain environmental responsibility by utilizing systems that limit the worldwide impact of their goods and processes. These high standards remind customers that Nissan operates under the quality seal that their clients demand whilst being an environmentally responsive corporation.

Nissan is assured that they will be able to address any customer questions or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their locally authorized dealers or even visiting their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
